Most of our activities are held at CWM HEDD LAKES ...

... in **Bassaleg**, near Newport in South Wales, just 5 minutes from **J28 of the M4**. The post code is **NP10 8RW** if you have a sat-nav. Please be aware that you might well get sent down some rather **narrow and winding** country lanes - the below route is definitely the **easiest**:

From Junction 28 of the M4:

- Take the **A467**, signposted **Risca & Brynmawr**
- Roundabout - second exit, signposted **Caerphilly, A468**
- Roundabout (the Tredegar Arms is straight ahead) – **turn left**
- Turn **left at the second set of traffic lights**, into The Griffin (there is a brown sign for Cwm Hedd)
- Continue for around half a mile and take the **second driveway on the right**, immediately before a steep incline. There is a sign on the right of the gate.
- Ensure you take the right hand gateway: you will pass through two gateways and should be able to see **Cwm Hedd Lodge**

If your activities are held at a **different location**, full directions will be supplied with your booking. Most of our locations are no more than 45mins from Cwm Hedd lakes.
